The White Hills Park Trust
**Careers Education and Access for Education and
Training Providers Policy**

Policy Date: June 2018
Next review date: June 2020

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at Bramcote College and Alderman White School for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact Paul Broadley

Telephone: 0115 916 8901

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave copies of their prospectus or other relevant course literature at the Library at each site, which is managed by the Librarian and Careers Manager. The Libraries are available to all students at break and lunch times as well as before and after school.
