

KS3 Assessment update

Bramcote College

A member of The White Hills Park Trust

Rationale for update

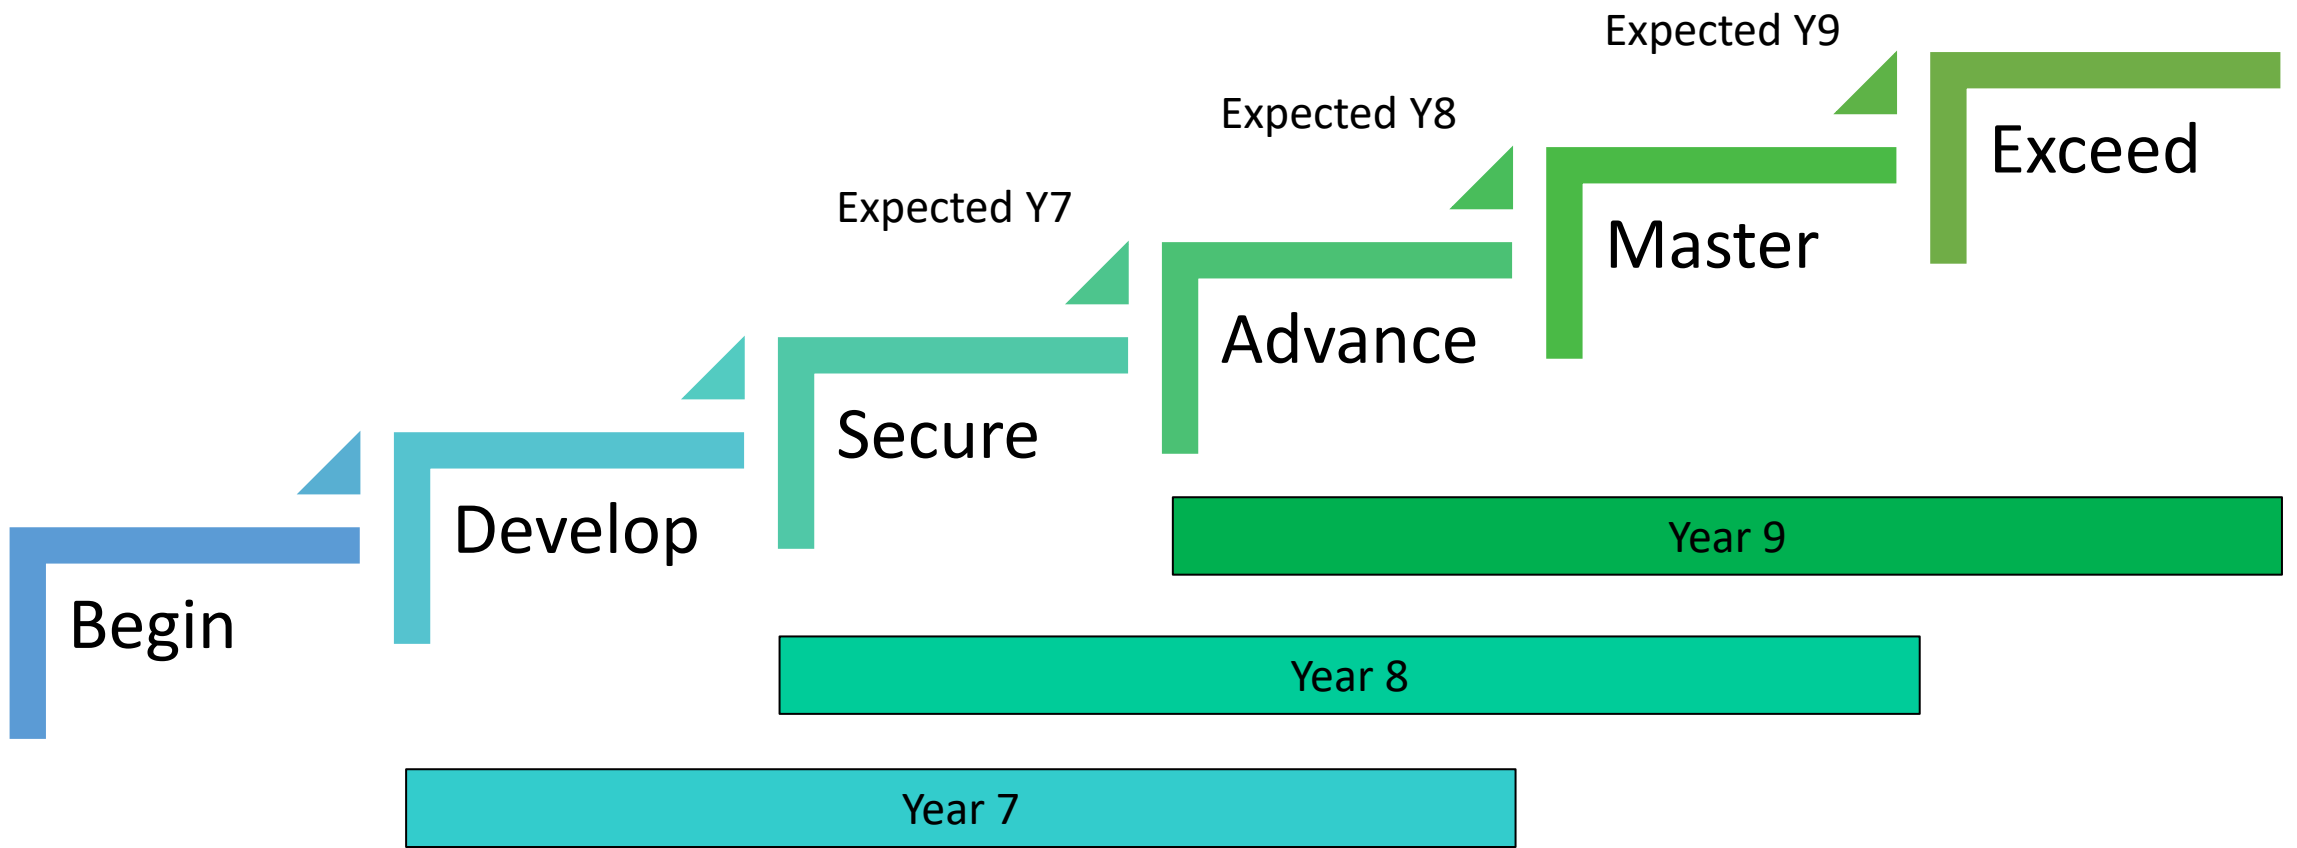

- Clear progression map for students from Y7 to Y9.
- Clearer for parents to see their child's progress.
- Easier for teachers to identify where students are working and support them in moving to the next step.

- Not being used for current Year 9 – too much change just before GCSE, will roll out for current Y8s as they move into Y9 (Sept 2024).

Below KS3 expectations

		Exceed
		Master
	Year 9	Advance
Year 8		Secure
Year 7		Develop
		Begin

Each subject has set a baseline assessment to start the year.

We would expect students to move at least one step by the end of the year (some may make faster progress).

Students will receive a 'step' for each written assessment, but teachers will also use classwork, homework and quizzes to assess the overall step which is reported to parents.

What should student progress look like?

- Student arriving from Y6 working at WTS level for Y6 SATS:
 - Develop → Secure → Advance → GCSE Grade 3+
- Student arriving from Y6 working at EXP level for Y6 SATS:
 - Secure → Advance → Master → GCSE Grade 5+
- Student arriving from Y6 working at GDS level for Y6 SATS:
 - Advance → Master → Exceed → GCSE Grade 7+
