

Accessing Go 4 Schools - A Guide for Students

Browse to go4schools.com and click on the Students icon at the top of the page

You'll see three options:

- A login box
- A **First-time User?** Link
- A **Forgotten your Password?** link

Email address:
Password:
 Remember my email address

[First-time User?](#)
[Forgotten your Password?](#)

First Time User

If you are accessing Go 4 Schools for the very first time, click the **First-time User?** link. Type in your school email address and click **New password**. A password will be emailed to your school email address. Login to your school email (you can access this via office.com) to see it.

First-time User?
If you haven't logged on to GO 4 Students before, type your email address and click the "new password" button.
Email address:
Please note, if you are having problems with your password please contact your school. For Data Protection reasons we are unable to divulge or set passwords for students ourselves.

Forgotten your password?

If you have accessed Go 4 Schools before, but have forgotten your password, click the **Forgotten your Password?** Link. Type in your school email address and click on **Send password reset link**. Instructions to change your password will be emailed to your school email address. Login to your school email (you can access this via office.com) to see it.

Forgotten your Password?
If you have forgotten your password, you can reset it by entering your email address.
Email address:
Please note, if you are having problems with your password please contact your school. For Data Protection reasons we are unable to divulge or set passwords for students ourselves.

Logging in

Once you know your password, enter your school email address and password into the login box and click **Sign in**.

If you ever need to change your password, you can do this from the **My Settings** link from the menu at the top of the page.
