

How Will You Revise?

Use the Guide Below to Plan an 'Ideal' 45minute Block of Revision

1. Identify –

- ▶ 2-5mins select the specific topic you are focusing on
- ▶ Make the content focussed on key topics
- ▶ Focus on what you don't know
- ▶ Do not procrastinate at this stage
- ▶ Ensure your environment is correct

2. Identify –

- ▶ 5-10mins Read, Highlight and break down the information, quick test yourself (cover & recall)
- ▶ How well do you already know it?

3. Process – 25-30mins

- ▶ Convert the information and learn it
- ▶ Use flashcards, practice testing, summarising, converting to diagrams, mindmaps, century learning, seneca etc

4. Assess – 5-10mins

- ▶ Test yourself on exam questions, quizzes, online quizzes, have someone else test you

5. Review –

- ▶ Tick the session off your plan
- ▶ Ask yourself:
 - ▶ What you have learnt in that time?
 - ▶ Did you improve?
 - ▶ What do you need to do more on?
 - ▶ What can put to one side for a few weeks?
 - ▶ Was my technique effective?
