Statement of Intent

The Governing Body / Trustees of The White Hills Park Trust will meet their responsibilities under the Health and Safety at Work Act and other health and safety legislation to provide safe and healthy working conditions for employees and ensure their work does not adversely affect the health and safety of others (including; pupils, visitors, contractors etc.). Details of how this will be achieved are given in this health and safety statement.

The Governing Body / Trustees will ensure that effective consultation takes place with all employees on health and safety matters and that individuals are consulted before allocating particular health and safety functions to them.

Where necessary the Governing Body / Trustees will seek specialist advice to determine the risks to health and safety in the school and the precautions required to deal with them.

The Governing Body / Trustees will provide sufficient information and training in health and safety matters to all employees in respect to the risk of their health and safety.

The Governing Body / Trustees requires the support of all staff to enable the maintenance of high standards of health and safety in the schools activities.

The school is committed to continually improving its health and safety performance.

This statement includes a description of the organisation of the school and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be addressed are outlined in the arrangements section.

Head Cleaner	June Cox – From the 1 st May 24	Must familiarise themselves with the Trust Health and Safety Policy and what it means to their work activities. They must work in conjunction with any Policy Statement, health and safety rules and guidance issued by the NCC Catering and Facilities Management, Environment & Resources Department where appropriate.
Head of Estates & Property	Colin Strawbridge	Person responsible for coordinating the provision of health and safety training needs of employees in consultation with their line managers:
Receptionist	Pat Rice/Nikki Ness & Lesley Potter	Person Responsible for contacting the Fire Brigade in the event of a fire.

Responsibilities of the Governing Body / Trustees

The Governing Body / Trustees are responsible for:

- Complying with the Nottinghamshire County Council or Trust Health and Safety Policy and arrangements.
- Formulating and ratifying the school health and safety statement and health and safety plan.
- School to have access to health and safety competent advice as stated in Regulation 7 of the Management of Health and Safety at Work Regulations.
- The site and premises is maintained in a safe condition and that appropriate funding is allocated to this area from the budget.
- Prioritising action on health and safety matters where resources are required from the school budget. Any hazards which the school is unable to rectify from the school budget must be reported to the Local Authority or Trust.

- Regularly reviewing health and safety arrangements (minimum annually) and implementing new arrangements where necessary.
- Promoting high standards and develop a positive culture of health and safety within the school.
- Employees to have necessary competence to conduct their duties in relation to health and safety matters.
- Risk assessments are completed and recorded of all the schools work activities (including those off-site) which could constitute a significant risk to the health and safety of employees and others.
- The statement of intent and other health and safety documentation is drawn to the attention of all employees.
- Conduct active and reactive monitoring of health and safety matters in the school.

Responsibilities of the Head Teacher / Principal

The Head Teacher / Principal is responsible for:

- The day to day management of health and safety matters in the school in accordance with the health and safety policy and ensuring the health and safety arrangements are carried out in practice.
- Risk assessments are completed and recorded of all the schools work activities (including those off-site) which could constitute a significant risk to the health and safety of employees and others.
- Conduct active and reactive monitoring of health and safety matters in the school and remedial action is taken (where necessary) to reduce risk.
- Information regarding health and safety matters will be communicated to the relevant individuals.
- Identify staff health and safety training requirements and make arrangements for provision.
- Establish and attend the schools health and safety committee (where appropriate).
- Developing and/or reviewing the school annual health and safety action plan.
- Co-operating with and providing necessary facilities for trade union safety representative(s).

- Participating in the Local Authority / Trust health and safety auditing arrangements and ensuring audit action plans are implemented.
- Monitoring the purchasing and maintenance of equipment and materials with regards to compliance with current health and safety standards.
- Employ only competent contractors to work on the school site.
- Seek specialist advice on health and safety matters where appropriate.
- Implement formal arrangements for managing emergency situations.
- Compliance with the requirements of the Occupier's Liability Act.

Note: In the absence of the Head Teacher / Principal these responsibilities fall to their immediate deputy.

Responsibilities of the Health and Safety Co-ordinator (must be a Senior Member of Staff)

Responsible to the Head Teacher / Principal for:

- Attending appropriate health and safety training courses to enable them to discharge their duties effectively.
- Promoting health and safety matters throughout the school and assisting the Head Teacher / Principal in the implementation of the health and safety policy and arrangements.
- Maintenance of health and safety documentation and associated records to ensure they remain up to date with current legislation and good practice.
- Implement a health and safety notice board and ensure it is kept up to date.
- The correct accident reporting procedures are followed and where appropriate accidents, incidents and near misses are investigated.
- Conduct routine health and safety inspections and implement a method of internal audit. A system must be in place to monitor and respond to any identified remedial actions.
- Implementing procedures for the authorisation of school visits.
- Participating in health and safety audits arranged by the Local Authority / Trust.
- Providing health and safety induction training for all new employees.

- Maintenance of health and safety training records including the provision of refresher training.
- Statutory inspections are completed and records kept.
- Emergency drills and procedures are carried out regularly and monitored for effectiveness.
- Monitoring contractors on site and conduct a formal, documented induction.
- Attend the school's health and safety committee (where appropriate).

Note: In the absence of a designated Health and Safety Co-ordinator the above responsibilities will fall to the Head Teacher / Principal.

Heads of Subject Departments / Co-ordinators

Heads of Department are responsible for:

- The day to day management of health and safety within their department in accordance with the health and safety policy.
- Drawing up and reviewing departmental policies, procedures and risk assessments regularly (at least once annually).
- Carrying out regular health and safety monitoring inspections of the department and making reports to the headteacher, where appropriate.
- Ensuring follow up and remedial action is taken following health and safety inspections.
- Arranging for the appropriate subject specific health and safety training to be provided to all staff within the department.
- Passing on health and safety information received to the appropriate people.

Acting on health and safety reports from above and below in the hierarchy.

Responsibilities of all Employees

All employees at the school have responsibility to:

- Take reasonable care for the health and safety of themselves and others when undertaking their work.
- Checking classrooms, work areas and equipment are safe.

- Ensure safe working procedures are followed as outlined within health and safety policy and risk assessments.
- Co-operating with the Local Authority / Trust Governors / Trustees and Head Teacher / Principal on all matters relating to health and safety by complying with the health and safety policy.
- Not intentionally or recklessly interfering or misusing equipment or fittings provided in the interests of safety or welfare.
- Reporting immediately to their Line Manager or Head Teacher / Principal any serious or immediate danger.
- Reporting to their Head Teacher / Principal any shortcomings in the arrangements for health and safety.
- Only use equipment or machinery which they are competent to use or have been trained to use.
- Participating in health and safety inspections and the health and safety committee (where appropriate).

Arrangements

Co-ordination and Communication

Health and Safety Co-ordinator

Senior member of staff in the school with special responsibility for health and safety matters (Health and Safety Co-ordinator):	Head of Estates and Property
--	------------------------------

Safety Representatives and Safety Committees

Employee(s) appointed as a safety representative by their association or trade union:	
---	--

Health and Safety Committee

Person responsible for ensuring all wheelchairs, standing frames are inspected and serviced annually by a competent person, kept in a hygienic condition and in good working order:	None on Site
Person responsible for ensuring that other special needs equipment is kept in good working order and serviced appropriately:	Site Officer

Lifts

Person responsible for ensuring lifts receive a thorough examination and service every six months:	None on Site
--	--------------

Pressure Vessels

Person responsible for arranging a written scheme, thorough examination and maintenance of pressure vessels:	Head of Estates and Property
--	------------------------------

Caretaking and Cleaning Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Site Officer
Person(s) authorised and competent to operate and use:	Site Officer

Science

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Alison Pascual
Person responsible for the chemical inventory:	Alison Pascual
Person(s) responsible for instructing pupils in the safe use of equipment and correct use of PPE before they use it and checking they use it correctly:	Alison Pascual
Person responsible for Science Codes of Practice / Policy / risk assessments:	Alison Pascual
The Radiation Protection Supervisor:	Alison Pascual

Design and Technology Equipment (Resistant and Compliant Materials)

Person responsible for selection, inspection, maintenance, training, supervision. Safe use and risk assessment:	Chris Worth
Person responsible for the chemical inventory:	Chris Worth
Person(s) authorised to operate and use:	Chris Worth
Person(s) responsible for instructing pupils in the safe use of equipment and correct use of PPE before they use it and checking they use it correctly:	Chris Worth
Person(s) responsible for ensuring that all machinery is adequately maintained, including guarded and that the guards are in position when the equipment is in use:	Chris Worth
Person responsible for DT Codes of Practice/ Policy / risk assessments:	Chris Worth

Design and Technology Equipment (Food Technology and Textiles)

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Chris Worth
Person(s) authorised to operate and use:	Chris Worth
Person(s) responsible for ensuring that temperature of the refrigerator and freezer are monitored and logged:	Chris Worth
Person responsible for ensuring an adequate schedule of deep cleaning is carried out in the food technology area:	Chris Worth

Person(s) responsible for instructing pupils in the safe use of equipment and correct use of PPE before they use it and checking they use it correctly:	Chris Worth
Person responsible for Food Technology and Textiles) Codes of Practice/ Policy / risk assessments:	Chris Worth

Art and Design Equipment (Fine Arts)

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Margaret Hewitt
Person(s) authorised to operate and use:	Margaret Hewitt
Person responsible for the chemical inventory:	Margaret Hewitt
Person(s) responsible for instructing pupils in the safe use of equipment and correct use of PPE before they use it and checking they use it correctly:	Margaret Hewitt
Person responsible for Art Codes of Practice/ Policy / risk assessments:	Margaret Hewitt

Art and Design Equipment (Ceramics)

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	N/A
Persons authorised to operate and use:	N/A
Person responsible for the chemical inventory:	N/A
Person(s) responsible for instructing pupils in the safe use of equipment and correct use of PPE before they use it and checking they use it correctly:	N/A
Person responsible for Art Codes of Practice/ Policy / risk assessments:	N/A

PE

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Kieran Warner
Person(s) responsible for regular daily visual inspection and in-house routine inspection:	Kieran Warner
Contractor responsible for annual full inspection and report:	Kieran Warner
Person responsible for PE Codes of Practice/ Policy / risk assessments:	Kieran Warner

Stage Lighting Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Claire Franklin
Person(s) authorised and competent to operate and use:	Claire Franklin

Mobile Staging and Seating

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Claire Franklin
Person(s) authorised and competent to operate and use:	Claire Franklin

Portable Electrical Appliances and Hard Wiring Circuits

Person responsible for ensuring the hard wiring circuits is periodically inspected (every 5 years):	Head of Estates and Property
Person responsible for ensuring remedial actions are undertaken from the hard wiring circuits inspection and retaining a record of this:	Head of Estates and Property
